

Declaration of performances

DoP N° SGIK-03

1. Unique identification code of the product-type:

Cryolene 682 AL 50-145mm

2. Type, batch or serial number or any other element allowing identification of the construction product as required under Article 11(4) of the CPR:

See product label

3. Intended use or uses of the construction product, in accordance with the applicable harmonized technical specification, as foreseen by the manufacturer:

Thermal insulation of Building Equipment and Industrial Installations (ThIBEII)

4. Name, registered trade name or registered trade mark and contact address of the manufacturer:

Saint-Gobain ISOVER Korea Co., Ltd.

70, Bugokgongdan 1-gil, Songak-eup, Dangjin-si, Chungcheongnam-do, Republic of Korea

www.isover.co.kr/DoP-SGIK-03

5. Name and contact address of the authorized representative:

Not relevant

6. System(s) of Assessment and Verification of Constancy of Performance of the construction product:

AVCP System 1 for Reaction to fire.

AVCP System 3 for other characteristics.

7. a) Case a construction product covered by a harmonized standard:

EN 14303:2009 + A1:2013

Notified Body(ies):

- CSI SPA (Notified Body n°0497) performed the determination of the product-type on the basis of type testing (including sampling); initial inspection of the manufacturing plant and of factory production control; continuous surveillance, assessment and evaluation of factory production control.

Declaration of performances

DoP N° SGIK-03

tion control; under system1. And issued a certificate of constancy of performance according EN 14303:2009 + A1:2013

- LNE (Notified testing laboratory n°0071) performed the test reports for the other relevant declared characteristics.

b) Case of a construction product for which a European Technical Assessment has been issued:

Not applicable

8. Declared performance:

All characteristics listed in the table under are determined in harmonized standard EN 14303:2009 + A1:2013

Essential characteristics		Performance
		Cryolene 682 AL
Thermal resistance	Thermal Conductivity (λ)	W/(m·K)
	-150°C	0.013
	-120°C	0.017
	-100°C	0.019
	-45°C	0.026
	0°C	0.033
	+10°C	0.035
	Dimensions and tolerances	$d_D=50-145\text{mm}$ and T3
Reaction to fire – Euroclass Characteristics		B-s1, do
Durability of thermal resistance against ageing/degradation	Thermal Conductivity	(b)
	Dimensions and tolerances	See above
	Dimensional stability, or Maximum Service Temperature	NPD
Durability of thermal resistance against high temperature	Dimensions and tolerances	See above
Durability of reaction to fire against ageing/degradation		(a)
Durability of reaction to fire against high temperature	Durability characteristics	(c)
Compressive strength	Compressive stress or compressive strength for flat products	NPD
Water permeability	Dimensional stability, or Maximum Service Temperature	NPD
Water vapour permeability	Water vapour diffusion resistance	NPD
Rate of release of corrosive substances	Trace quantity of ions Cl-	NPD
	Trace quantity of ions F	NPD
	Trace quantity of ions SiO_3^{2-}	NPD
	Trace quantity of ions Na^+	NPD
	Value of pH	NPD
Acoustic absorption index		NPD

Declaration of performances

DoP N° SGIK-03

Release of dangerous substances	Release of dangerous substances	NPD
Continuous glowing combustion	Continuous glowing combustion (b)	NPD

NPD : No Performance Determined

- (a) The fire performance of mineral wool does not deteriorate with time. The euroclass classification of the product is related to the organic content, which cannot increase with time.
- (b) Thermal conductivity of mineral wool products does not change with time, experience has shown the fibre structure to be stable and the porosity contains no other gases than atmospheric air.
- (c) The fire performance of mineral wool does not deteriorate with high temperature. The Euroclass classification of the product is related to the organic content, which remains constant or decreases with high temperature.

9. The performance of the product identified in point 1 and 2 is in conformity with the declared performance in point 8. This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 4.

Signed for and on behalf of the manufacturer by:

Hyunchul Park
Quality Manager
